

HOBBY CLUB - *Photography*

A hobby club has been introduced in the school to promote Photography Skills among the students of Classes IX to XII.

Any number of students can join the hobby club, competitions, exhibitions and training sessions will be organized to create interest and to develop individual's skills in the area of Photography.

Prizes will be given to the student who qualifies and selected as per the rules below:

1. Individual's work in the area of Photography.
2. Display of photographs in form of Charts and Albums/Files.
3. Competition may be organized in school and accordingly prizes will be distributed in the lines of CCA for classes 9 to 12.
4. Hard and Soft copy of the photographs may be submitted to enter into the competition, and it will be treated as a mandatory requirement. Submitted photographs will be valid for current session only.
5. Best photographs will be framed and displayed in the school corridors.
6. Training may be arranged for the member students by the experts in the associated area.

Interested students are required to register themselves in the **HOBBY CLUB: *Photography***. Only registered students will be allowed to participate in the activities organized and to compete in the competitions.

Names may be registered with **Mr. Rajeev Shrivastava, Librarian (SS)**.
